

ABOUT THE HART FOUNDATION

Back in 2018, Ryan Hart, the owner of a successful home care agency in Reno, Nevada, received a call from a social worker at a local hospital asking him to do a consultation for a woman being discharged on hospice with only a few days to live. She was in a tremendous amount of pain, but even worse than that; she was terrified to die alone. Ryan's heart broke, so he provided her with free caregiving services for the 2-3 days she lived after getting home. Unfortunately, this scenario is all too common around the country, and it's the reason Ryan & his wife founded the Hart Foundation.

OUR MISSION

Enriching lives by providing essential in-home caregiving services for qualifying senior citizens and Veterans at no cost and offering senior focused programs to enhance the communities in which we serve.

HOW TO HELP

As a nonprofit organization, the Hart Foundation relies on the contributions from individuals, foundations, and corporations to provide in-home caregiver services to those who cannot afford it. We know our cause is worthy and just, and it is enough for some gift givers just to know that they are helping our community's seniors and Veterans who are so often neglected. Your donation today provides a highly trained, loving, and compassionate caregiver to be by someone's side in their greatest time of need.

Our seniors and Veterans have served others their entire lives, putting everyone else first, and making sure others were well taken care of, comfortable, and above all, safe.

Our Veterans never left anyone behind, and we're not going to leave them behind.

We rely on donations and grants to provide the essential services and extras that enrich the lives of our seniors and Veterans. All gifts are appreciated and fully utilized to benefit those in our care.

As an example of what your donations mean to a Veteran/qualifying senior:

8 HOURS OF SERVICE	24/7 SERVICE
\$1,500 = 8-hours of service a day for 1 week	\$5,000 = 24/7 care for 1 week
\$6,000 = 8-hours of service a day for 1 month	\$20,000 = 24/7 care for 1 month

Our goal is to never say no to someone in need!
